Sir,

Sub: Implementation of Bar coding system under the provisions of the Bio Medical Waste Management Rules, 2016.

- Ref:** 1) CPCB letter F.No. B-31011/BMW (92/42.54)/2023/WMD-I/3055, Dtd: 10.08.2023
2) CPCB letter F.No. B-31011/BMW (92/42.54)/2023/WMD-F8328, Dtd: 03.01.2024.
3) Board Office Notice Vide No.2031, dtd: 09.08.2024

With reference to the above subject, you have obtained Authorization under Bio medical waste management rules 2016 On verification, it is observed that in spite of repeated notices, you have failed to implement the Barcode System and GPS which is required to be established, by the occupier and operator of CBWTF in accordance with the BMW Rules, 2016.

Implementation of the bar code system is the joint responsibility of the Occupier as well as Operator of a CBWTF as prescribed under the BMWM Rules, 2016 as amended thereof. Bar Code Based Waste Management software should be installed and operated by the CBWTF who is providing services of bio-medical waste treatment and disposal.

Hence we are sending you a unique code to your unit for collecting, treating the biomedical waste.

Your Unique SPCB ID is: 10451

Use this barcode as earliest as possible in accordance with the M/s. Banashankari Environmental Services Common Biomedical Waste Management facility.

The Deadline for implementation of the above rules and guidelines are long past due, and hence it is informed to implement the barcoding system as soon as possible. For the same, you can contact your CBWTF. Failing which further action will be initiated under Bio Medical Waste (Management & Handling) Rules, 2016 & Section 15 of the Environment (Protection) Act, 1986.

Yours faithfully,

Environmental officer(A/c)
